Detailed Course Outline

Power Systems and IBM i concepts and overview

- .

Reference material and support

- .

Overview of 5250 emulation and help

- .

Overview of System i Navigator

- .

Overview of IBM Navigator for i

- .

Messaging concepts

- .

Messaging with 5250 emulation

- .

Messaging with System i Navigator

- .

Messaging with IBM Navigator for i

- .

CL command concepts

- .

CL commands with 5250 emulation

- .

Concepts: Object, library, and the IFS

- .

Object management with 5250 emulation

- .

Object management with System i Navigator

- .

Object management with IBM Navigator for i

- .

Introduction to work management

- .

Work management with 5250 emulation

- .

Job control with 5250 emulation

- .

Job control with System i Navigator

- .

Job control with IBM Navigator for i

- .

Print concepts

- .

Print control with 5250 emulation

- .

Print control with System i Navigator

- .

Print control with IBM Navigator for i

- .

Starting and stopping the system

- .

System security concepts

- .

System security with 5250 emulation

- .

System security with System i Navigator

- .

System security with IBM Navigator for i

- .

System configuration overview

- .

Configuration with 5250 emulation

- .

Configuration with System i Navigator

- .

Configuration with IBM Navigator for i

- .

Save concepts

- .

Save with 5250 emulation

- .

Save with System i Navigator

- .

Save with IBM Navigator for i

- .

Restore concepts and overview

- .

Problem determination with 5250 emulation

- .

Problem determination with System i Navigator

- .

Overview of the PTF process

- .

PTFs with 5250 Emulation

- .

Class summary

- .

Additional Course Details

Nexus Humans AS24 IBM System Operator Workshop for IBM i training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the AS24 IBM System Operator Workshop for IBM i course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.
