Course Overview

Effective communication is how employees and management interact to reach organizational goals. Getting this right results in a happier, more engaged workforce who get more done. Unfortunately, there are often significant barriers – language, culture, distrust, distance – to effective communication. Private classes on this topic are available. We can address your organization’s issues, time constraints, and save you money, too. Contact us to find out how. This course has been approved for 14 PDUs | 14 CDUs
