Duration: 8.00 hours (1 days) **6.5 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

Effective collaboration requires more than technical skills — it demands an understanding of people. This interactive workshop introduces participants to three powerful frameworks for understanding behavioural and personality preferences: DISC, People Styles, and OCEAN. By exploring these models together, participants gain deeper insight into their own styles, how others prefer to work, and strategies to adapt communication for stronger workplace relationships.

About This Course

Effective collaboration requires more than technical skills — it demands an understanding of people. This interactive workshop introduces participants to three powerful frameworks for understanding behavioural and personality preferences: DISC, People Styles, and OCEAN. By exploring these models together, participants gain deeper insight into their own styles, how others prefer to work, and strategies to adapt communication for stronger workplace relationships.

Who Should Attend

This workshop is designed for:

- Team leaders, managers, and supervisors seeking to improve collaboration.
- Project managers and cross-functional team members.
- HR professionals and learning specialists who facilitate team effectiveness.
- Any professional who wants to better understand themselves and others to reduce conflict and improve workplace relationships.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

By the end of this course, participants will be able to:

1. Understand the core concepts of **DISC, People Styles, and OCEAN frameworks**.
2. Identify their own behavioural and personality preferences across all three models.
3. Recognise how different styles interact and identify potential points of tension.
4. Adapt communication and collaboration strategies to reduce misunderstandings and conflict.
5. Apply multi-model insights to improve real-world workplace interactions.
