Delivery Format: Instructor Led - Online

Course Overview

In our noisy modern world, aspiring and active leaders need more than data to move people. To effectively lead in a business environment filled with complexity and uncertainty, we must develop our leadership voice. Leadership authenticity is pivotal because it influences how people perceive you, respond to you, and work with you. Your leadership voice can change depending on context, just as it will change over the course of your career. Developing it is critical to becoming an authentic and effective leader. Private classes on this topic are available. We can address your organization’s issues, time constraints, and save you money, too. Contact us to find out how. This course has been approved for 14 PDUs
