Duration: 8.00 hours (1 days) **6.5 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

In this course, an expert instructor will teach your team how to become more effective and efficient by fusing the principles of agile processes with Jira skills and practices. Your team will learn about kanban, scrum, and Jira essentials like searching, JQL, epics, and more. Throughout the course, your team will be able to ask organization-specific questions in real-time and get the answers they need. The team learning environment delivers engagement, retention, and collaboration, extending the benefits of an instructor-led course beyond instruction time.
