Frequently Asked Questions

Q: What delivery options are available for SC-5003: Implement information protection and data loss prevention by using Microsoft Purview?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
- Traditional Instructor-Led Classroom Training (ILT)
- On-site delivery at your offices anywhere in United Kingdom
- Private dedicated courses customized for your team

Q: What certification does this course prepare me for?

The SC-5003: Implement information protection and data loss prevention by using Microsoft Purview course helps prepare you for the Microsoft Applied Skills: Implement information protection and data loss prevention by using Microsoft Purview certification path.

Q: Which exam does this course prepare me for?

This course prepares you for the SC-5003 official exam. You can take this exam at any exam center across United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online wherever you are located.

Q: How many CPD hours does this course provide?

The 1-day SC-5003: Implement information protection and data loss prevention by using Microsoft Purview course provides up to 0.8 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the SC-5003: Implement information protection and data loss prevention by using Microsoft Purview training?

The training takes place over 1 day(s), with each day lasting approximately 1.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for SC-5003: Implement information protection and data loss prevention by using Microsoft Purview?

Yes, we provide corporate training, dedicated training, and closed classes for SC-5003: Implement information protection and data loss prevention by using Microsoft Purview. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: What related terms do people search for?

Popular related searches include: SC-5003: Implement information protection and data loss prevention by using Microsoft Purview, Microsoft, vILT, SC-5003

Q: Why choose Nexus Human for SC-5003: Implement information protection and data loss prevention by using Microsoft Purview?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPAL5** when booking your SC-5003: Implement information protection and data loss prevention by using Microsoft Purview training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
